## Academic Appointments and Other Work Experience

---

Assistant Professor Columbia University, Department of Epidemiology, Department of Sociomedical Sciences	November 2018-present
Postdoctoral Research Fellow Columbia University, Department of Sociomedical Sciences and School of Social Work	July 2016- October 2018
Researcher Trajectories of Substance Use and Comorbid Mental Illness, Magdalena Cerda, Principal Investigator, National Institute on Drug Abuse grant 5K01DA030449-05	2013 - 2015
Researcher Columbia University Systems Science Program, Rockefeller Foundation, Abdulrahman El-Sayed, Principal Investigator	2014 - 2015
Associate Researcher University of Wisconsin School of Medicine and Public Health, County Health Rankings Project, Robert Wood Johnson Foundation	2010-2011
Senior Policy Analyst Council of State Governments Justice Center Criminal Justice/Mental Health Consensus Project	2005-2010

## Education

---

PhD in Epidemiology Columbia University	2011-2016
<ul style="list-style-type: none"><li>Dissertation title: Is criminogenic risk assessment a prisoner of the proximate? Challenging the assumptions of an expanding paradigm</li><li>Dissertation sponsor: Sharon Schwartz. Committee and readers: Bruce G. Link, Lisa M. Bates, Adam Reich, Jennifer Skeem</li></ul>	
MPH in Sociomedical Sciences Columbia University	2008-2010
BA in Psychology McGill University	2000-2004

## Honors and Awards

---

The William Farr Award in Epidemiology, Department of Epidemiology, Columbia University	2016
---	------

## Academic Service University

---

Co-Convener, Inequalities Cross-Cutting Theme, Columbia Population Research Center	2020-
--	-------

## Department

Methods Exam Committee	2019-2020
Co-designer and co-facilitator, Power, Privilege, and Allyship training for faculty and teaching assistants on identifying and responding to microaggressions in the classroom	2015
Facilitator, required journal club for masters student certificate in social determinants of health	2012-2015

## Professional Organizations and Societies

---

### Memberships

American Psychopathological Association  
American Public Health Association  
American Sociological Association  
Society for Epidemiologic Research

### Journal Reviewer

Addiction Research & Theory  
American Journal of Epidemiology  
American Journal of Industrial Medicine  
American Journal of Public Health  
American Journal of Orthopsychiatry  
BMC Psychiatry  
Canadian Journal of Psychiatry  
Criminal Behavior and Mental Health  
Drug and Alcohol Dependence  
Family Medicine and Community Health  
International Journal of Health Services  
Journal of Epidemiology & Community Health  
JAMA Psychiatry  
Journal of Occupational and Environmental Medicine  
Psychiatry, Psychology, and Law  
Occupational and Environmental Medicine  
Social Psychiatry and Psychiatric Epidemiology  
Social Science & Medicine  
Society and Mental Health  
Sociology of Health & Illness

## Fellowship and Grant Support

---

### Fellowships

HIV, Substance Use, and Criminal Justice T32 Fellowship Program  
National Institute on Drug Abuse grant T32-DA-37801, Nabila El-Bassel and Lisa Metsch, Principal Investigators 2016-2018

Psychiatric Epidemiology Training Program Predoctoral Fellow  
National Institute of Mental Health grant 5-T32-MH-13043, Bruce G. Link, Principal Investigator 2011-2016

### Grant Support

#### *Active Research Funding*

National Institute on Drug Abuse K01DA045955  
Adolescent substance use as determinant and consequence of the school-to-prison pipeline: Disentangling individual risk, social determinants, and group disparities  
• Total direct costs: \$862,573  
Role: Principal Investigator  
Project period: 02/01/2019 - 01/31/2024

Columbia Population Research Center Seed Grant  
Community policing, school discipline, and school safety: Disentangling student-, school-, and community-level determinants of adolescent violence and victimization  
• Total direct costs: \$16,215  
Role: Principal Investigator  
Project Period: 01/15/2021 - 06/30/2022

## Calderone Research Prize for Junior Faculty

Adolescent health consequences of school- and community-level policing, criminalization, and securitization in New York City

Role: Principal Investigator

Project period: 04/05/2021 -

04/05/2022

- Total direct costs: \$25,000

## National Institute on Minority Health and Health Disparities L60MD013029

Role: Principal Investigator

Racial and LGBTQ disparities in the role of substance use as determinant and consequence of the school-to-prison pipeline: Disentangling individual risk and social determinants

Project Period 7/1/2018 -

6/30/2020

# Educational Contributions

---

## Teaching

### *Instructor*

Applications of Epidemiologic Research Methods II P9489, Columbia University  
Department of Epidemiology, second-year doctoral course

Spring 2019, 2020

Epidemiology, Bard Prison Initiative, Bard College, Woodbourne Correctional Facility

Fall 2015

### *Teaching Assistant*

Publications, Presentations, and Grants, Columbia University, Department of Epidemiology,  
first-year doctoral course

2015

Psychiatric Epidemiology Reading Seminar, Columbia University Mailman School of Public  
Health

2014

Principals of Observational Epidemiology, Columbia University Mailman School of Public  
Health

2013, 2014

Principals of Epidemiology and Introduction to Biostatistical Methods, Columbia Summer  
Research Institute

2012, 2013

Social Epidemiology, Columbia University Mailman School of Public Health

2012, 2013

Masters Thesis I and II, Columbia University Mailman School of Public Health

2012, 2013

Epidemiology of Drug and Alcohol Problems, Columbia University Mailman School of  
Public Health

2012

## Advising and mentorship

### *Dissertation and Thesis Committees*

PhD Dissertation Sponsor, Sandhya Kajeeepeta

2020-

PhD Dissertation First Reader, Shadiya Moss

2020-

PhD Dissertation First Reader, Emilie Bruzelius

2020-

DrPh Dissertation Project, Trena Mukherjee

2020-

PhD Dissertation First Reader, Sarah McKetta: Structural Sexism in the United States and  
Patterns of Women's Alcohol Use in Recent Decades

May 2021

Masters Thesis Second Reader, Megan Marziali: Partner Incarceration and Maternal  
Substance Use: Investigating the Mediating Effects of Social Support and Neighborhood  
Cohesion

May 2021

Masters Thesis Sponsor, Sara Atlas: The Health Consequences of Policing for People Who  
Use Drugs

May 2021

Masters Thesis Sponsor, Martha Mulugeta: Student Loan Debt and Depressive  
Symptomatology: A Longitudinal Cohort Analysis

April 25, 2020

PhD Dissertation Committee (Defended), Caroline Bancroft: Do alternatives to  
incarceration mitigate the health effects of criminal justice involvement? An examination of  
the effects of probation on chronic disease risk and access to care

Fall 2019

*Academic Advising*

PhD	Sheffner, Ruth	2020-
PhD	Hu, Gloria	2020-
MPH	Christensen, Dana	2020-
MS	Zazanis, Noah	2020-
MPH	Russell, Matthew	2020-
MPH	Thigpen, Shelby	2020-
MPH	Singham Goodwin, Alicia	2019-
MPH	Young, Chloe	2019-
MPH	Hill, Isabella	2019-

# Invited and/or Peer-Selected Presentations

---

## Invited Talks

'The serpent of their agonies': Exploitation as structural determinant of mental illness Sociology Seminar, Nuffield College Oxford University	October 28 2020
Criminogenic or criminalized? Gendering, racialization, and the assumptions of criminogenic risk assessment Seminar Series in Gender, Sexuality, and Health, Department of Sociomedical Sciences, Columbia University	December 6 2017
How an epidemiologist encountered critical realism, and what critical realism might gain from debates about causal inference in epidemiology Beyond Positivism: Theory, Methods, and Values in Social Science Conference. Quantitative Methods Plenary Panel, Montreal, QC	August 8-10 2017
Moving beyond socioeconomic status to social class processes in public health Region 2 Public Health Training Center Webinar	August 1 2017
Health Disparities and the Criminal Justice System Icahn School of Medicine at Mount Sinai	October 21 2016

## Conference Symposia

Adolescent health determinants and consequences of the school-to-prison pipeline: Public health implications of mass criminalization Society for Epidemiologic Research, Virtual Conference	December 18 2020
'The serpent of their agonies': Exploitation as structural determinant of mental illness Society for Epidemiologic Research, Minneapolis, MN	June 18 - 21 2019
Changes in county jail incarceration rates are associated with changes in county mortality rates in the United States from 1987-2016 Society for Epidemiologic Research, Minneapolis, MN (Poster)	June 18-21 2019
Relational Social Class, Self-Rated Health, and Mortality in the United States Society for Epidemiologic Research, Minneapolis, MN (Poster)	June 18-21 2019
Contemporary Class Relations as Structural Determinant of Mental Illness: Moving Beyond Stratification to Relational Social Processes Society for Epidemiologic Research, Seattle, WA (Poster)	June 21-23 2017
Testing Contemporary Class Relations as a Structural Determinant of Mental Illness: Moving Beyond Stratification to Relational Social Processes Population Association of America, Chicago, IL	April 27-29 2017
Substance use over the lifecourse: When do peers and parents matter most? Society for Epidemiologic Research, Epidemiology Congress of the Americas, Miami, Florida	June 21-24 2016

## Public Engagement

---

Panelist, Challenges Behind Bars: Conditions of Confinement, Correctional Health, and Decarceration Strategies Fair and Just Prosecution, Conference of Progressive Prosecutors	September 30 2021
